

June 2020 Newsletter - COVID-19 Urgent HR Update

Good morning and we hope this note finds you and your families safe and healthy.

It can be very difficult to determine **what is best when creating plans to reopen your business, and how to (and how not to) approach employee concerns.**

The "[COVID-19 HR Support](#)" tab on our website (pearcoresolutions.com), contains a variety of new resources pertaining to COVID-19 for business owners.

- **Checklist for returning to the workplace**
- **Updates you may need to make to your current employee handbook**
- **How can you support your employees from a mental health standpoint?**
- **Can employers take their employees' temperature? What is the procedure for such an activity?**
- **Can employers require their employees to get tested for COVID-19?**
- **Can employers require their employees to get the COVID-19 antibody test?**

Our very own HR expert, David Freedman, has been creating insightful videos to help navigate these unprecedented times.

Is your business prepared to reopen & return to the office safely?

Are you prepared for the workplace challenges about employee safety and stability?

How should you be approaching the idea of paid time off and vacation days during this global pandemic?
